Happy Holidays, Sammamish! We are thankful for another great year serving the community of Sammamish. Click on the image to view a 2-minute video highlighting many of the happenings throughout the year.

We have great news! On December 14, 2021, the City Council adopted Title 21 - Sammamish Development Code (SDC) by Ordinance 2021-540, completing the Phase 2 Development Regulations Updates! The new regulations will go into effect on January 1, 2022, and can be found by visiting the [Sammamish Development Code](#) page on the City's website.

[Development Code](#) page on the City's website.

Please be patient with us as we transition to the SDC. We are working to update our permit applications and handouts to reflect the SDC's new numbering system. We anticipate completing these updates by mid-January 2022. In the meantime, please refer to the [Reverse Outline](#) in the Resource Library on the [Sammamish Development Code](#) page and to locate any code sections that have been renumbered.

If you have questions about the Sammamish Development Code, please get in touch with Avril Baty, Current Planning and Permit Center Manager, at abaty@sammamish.us.

Join us in celebrating the winter holiday festivities by sharing with us your annual family traditions, including delicious food, joyful decorations and cherished loved ones. Whatever holiday you celebrate, get those yummy treats, bright displays, and colorful outfits ready for the celebrations and take a pic! Upload and post your best holiday pictures for all to see.

 **Kokanee are Using the Newly Completed Culvert on East Lake Sammamish Parkway at Ebright Creek!**

The Ebright Creek Fish Passage Project was prioritized by Sammamish City Council to support the important recovery of native Kokanee Salmon. Coordination with King County and the Kokanee Work Group led to securing funds for the project which was awarded over \$400,000 in grants through the Brian Abbott Fish Barrier Removal Board and the King County Flood Control District's Cooperative Watershed Management Grant Program. *To learn more, please click on the image!*

Please Note

Republic Services' rates will increase January 1, 2022. The average increase per Sammamish household is \$1.87 - \$3.71 per month.

From Republic Services: "Consumer Price Indexes reflect inflation increases due to global supply chain disruptions, labor shortages, and the added costs of keeping employees and communities safe during the ongoing global pandemic."

The City of Sammamish contracts with Republic Services for garbage, recycling, and yard waste collection for single-family residences, multifamily complexes, and commercial customers located within the City service area.

Driving in the winter can be harrowing, especially in snowstorms and icy conditions. By getting your car ready for winter and using some simple tips to drive safely, you can face almost any weather Mother Nature decides to send your way.

Preparing Your Vehicle for Winter Driving

- ✓ Check the tread on your tires and replace if less than 2/32 of an inch
- ✓ Check your wiper blades and replace if needed

Before Driving

- ✓ Remove snow from vehicle
- ✓ Don't leave your vehicle idling unlocked and alone
- ✓ If the forecast looks iffy, wait out the storm if possible

When Driving

- ✓ Accelerate and decelerate slowly
- ✓ Increase following distance to 8 to 10 seconds
- ✓ Use extra caution on hills and bridges
- ✓ Don't abandon your car in the roadway

Thank you to Sammamish Police Officer Derek Jones for providing these helpful tips to keep everyone safe on our roads. *Watch the video by clicking on the image!*

Want to display your handmade star at Sammamish City Hall? [Sammamish Arts Commission](#) is looking for anyone interested on creating a snowflake that will be displayed to the public.

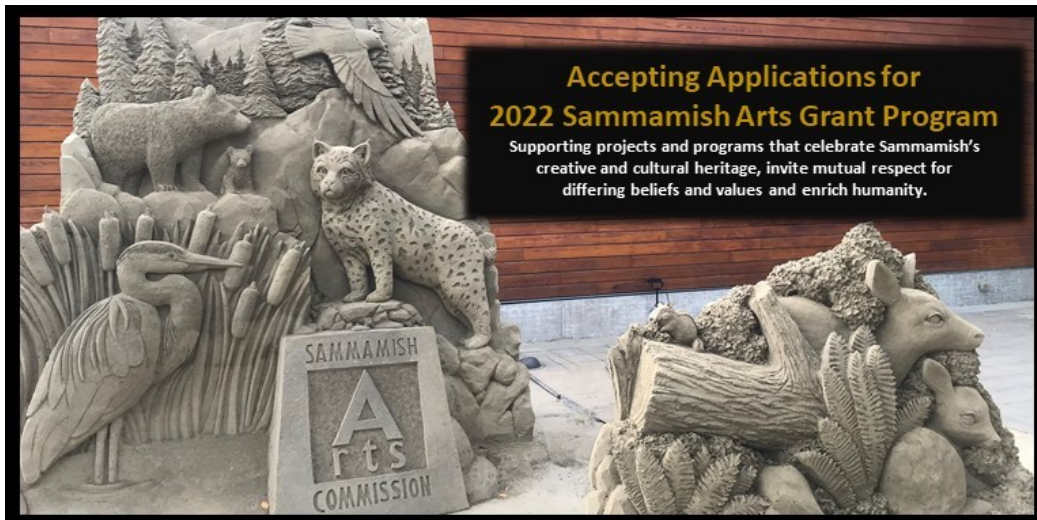

Stars can be turned in at the front area of City Hill starting Monday, January 3, 2022 through Thursday, January 6, 2022. Stars will be displayed on windows starting Friday, January 14, 2022 through Wednesday, February 2, 2022.

Shapes, Colors & Counting

Concept and reasoning development begins very early for children and is a key component for preschool and kindergarten readiness. In Snapology Junior's Shapes, Colors, Counting program, your little one will begin to identify basic shapes, where those shapes appear in their environment, and recognize colors and numbers in a variety of ways.

Animal Explorers

The animals living in our backyards or in our towns are very different from the animals in other parts of the world. While some animals have adapted to live in freezing temperatures, others have adapted to live in extremely hot and dry environments. In Snapology's Animal Explorers class, students will learn where animals live and why an animal's habitat is important for survival. Through stories, games, and building animals with DUPLO® blocks, your little learner will be busy exploring biomes of the world while gaining critical social and developmental skills without even realizing it!

Community Van is a flexible rideshare option that provides Sammamish residents with a new way to use public transportation by offering trips to local destinations in and outside Sammamish (up to 2 hours away). Community Van accommodates trips throughout the day, evening, and weekends. Trips can be a whatever you need, such as going to a play or concert with friends or going to the grocery store every week with a group. Community Vans are driven by volunteer drivers who are screened and approved through King County Metro's Commuter Van program. Riders pay a standard metro fare for a round trip while the volunteer driver can ride for free.

Currently, we are seeking volunteer drivers to fulfill the volume of ride requests coming in from the community! Support your neighbors, your community and help the environment by becoming a Community Van volunteer driver. You can choose which trips you drive and the frequency. If you are interested in volunteering, please email communityvan@sammamish.us or call (425) 295-0646.
